WOMEN'S DAY

STRONG WOMEN, STRONG WORLD

Kirsten Lai

Women's Day was celebrated on the 8th of March in ISA to commemorate the achievements of all the women throughout history - From teachers, to students, to every member of our school. Early at 8 am on Friday, during our weekly homeroom class, our two prefects surprised each class with a flower for each woman. They entered, hands full with bouquets of white, red, and pink roses, each dedicated as a symbol of appreciation and pride. For all that women have gone through in our society over the past decades, it is important to remember how their actions have shaped our present. Remembering this day was certainly a test for all the men and boys! To all the husbands and boyfriends out there, remember this day to get on her good side.

INTERNATIONAL DAY

2ND ANNUAL CELEBRATION OF CULTURES AND DIVERSITY

On March 15 2024, ISA celebrated the second annual International Day organized by the Round Square Club. Students and teachers were divided into groups worked together to get points, taking part in a variety of activities and games related to each continent as provided by the organizers, which created a joyful and happy mood. The day of activities not only tested everyone's teamwork, but also tested their knowledge.

In some classrooms, knowledge of the area was tested through trivia questions, like in a fun Kahoot game, whilst in others, knowledge was tested through creativity, like in a fun Asian themed charades competition. Aside from the competitive activities, it was impossible to overlook the extremely appealing and tasty meals that were meticulously prepared to deliver the most outstanding outcomes. Dishes were based on diverse countries, contributing to the individuality and cultural diversity of each country. Overall, this was an extremely significant and successful event, with fantastic coordination by the organizing committee!

LUZERN FC vs SERVETTE

AND THE CROWD GOES WILD... FOR A DRAW

Sheldon Yin

During the weekend, a small group of our students watched the football match between Luzern FC and Servette – the 28th round of Swiss Super League - at the Swissporarena Stadium, home of Luzern FC. It was a very good experience despite being 15 minutes late for the kick-off. So much for Swiss efficiency! The environment of the stadium was phenomenal. The sound of celebrating goals were heard even before they entered the stadium. The match was a bit boring for the first half but, Mr. Csaba brought us some lovely snacks. Lucerne's equalizer set the whole stadium on fire soon after the start of second half. Both teams scored one more goal in the remaining regular time. As the assistant referee raised the electronic board with 6 minutes extra time, all the players pushed themselves to their limit to score the winning goal for their team. Even though the score eventually did not change before the referee blew the final whistle, both teams presented us an exciting extra time with some fabulous counterattacks.

THE EASTER BUNNY

WHAT IS THE RIGHT WAY TO EAT A CHOCOLATE EASTER BUNNY?

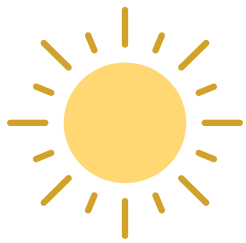

11% PREFER TO
START WITH THE
TAIL

78% PREFER TO START WITH
THE EARS

There are many other studies which have been conducted that show the preference of starting with the ears. The question is why? Apparently, it's just that this area of the chocolate bunny is slightly thicker, so you get this satisfying hollow crack when you bite into them. How do you eat your chocolate bunny?

11% PREFER TO START WITH
THE FEET

DAYLIGHT SAVING

CLOCKS ARE GOING FORWARDS 1 HOUR ON THE 31ST OF MARCH

You've probably noticed the sun rising earlier, and setting later. Every year, when Winter has settled, the sun stays out much longer. If so, why don't we take advantage of it? This is exactly what 'Daylight Saving' is meant to help with. Earlier, it was suggested as a way to make the most of the natural light so that energy would be conserved, and even so that us humans would become more active. However, nowadays, with our technological advancements, we may find this transition as just something causing us to lose 1 hour of sleep, or to gain 1 hour.

UPCOMING

LOOK OUT FOR THESE IN THE COMING MONTH

DP2 EXAMS

THE FINAL PUSH

Our DP2 student's have officially begun their final push! We wish you all the best of luck for your upcoming finals and know that you will achieve the best that you can.

YEARBOOK SUPERLATIVE AWARDS

WHO WON THE MOST VOTES?

- Who has the best hairstyle?
- Who is more likely to become a celebrity?
- Who is more likely to become a Teacher?

Earlier this month, the yearbook team sent out a form consisting of a list of superlatives that you could vote for. The results have been gathered and the results will be shared with you all in early April.

*For the winners, the team will reach out to you personally to conduct your individual photoshoots!

END YEAR HEADSHOTS

YEARBOOK EDITION

Your headshots for the yearbook will be taken soon in the month of April. Please keep a look out for any emails sent by the Yearbook team.

GET YOUR OWN STICKERS!

YEARBOOK EDITION

The Yearbook team will be printing out free stickers for those who want. Simply scan the QR code, upload your photos, rename them to your name, and you will receive your stickers with your yearbook.
